EXPERIENCE

Head of Video, *The Comedy Studio*, Cambridge, MA **Jan. 2025 – Present**

- Overhaul video operations by implementing a Sony cinema camera system along with building out a post-production pipeline for efficient delivery of comedian tapes and marketing content
- Collaborate with marketing team to pitch, write, and produce creative video content across platforms
- Produce social-first content and pre-roll ad spots that have generated over 300,000 impressions online
- Utilize Frame.io, Backblaze, and Shotgun Pro to execute file transfers, deliveries, and backup

Senior Videographer & Editor, *Media Results*, Wilmington, MA **Jan. 2020 – Present**

- Produce broadcast content for clients, including Subaru of New England, Balise Auto Group, and Reeds Ferry Sheds, that reach over 2 million viewers regionally
- Operate camera and assist with directing, lighting, and audio recording during commercial shoots
- Design and animate dynamic motion graphics for commercial spots and social media content
- Work with team of creatives by collaborating and project sharing using Dropbox

Dailies Operator, *Finish Post Productions*, Boston, MA **Jan. 2019 – Sept. 2019**

- Generated dailies for projects including Apple TV's *Defending Jacob* (2020), Netflix's *I Care a Lot* (2021), and Apple TV's *CODA* (2021) – Academy Award Winner for Best Picture
- Ingested and logged footage, prepared Resolve timelines for color work, created Avid bins for editorial, and organized all footage for producers to review on set
- Led archival responsibilities for both client and in-house storage using HDD, RAID, and LTO systems
- Prepared timelines for colorist on commercial projects for clients including Fanatics, Hasbro, and Bose

VFX Intern, *CoSA VFX*, Los Angeles, CA **June 2018 – Sept. 2018**

- Created a comprehensive portfolio mapping out the VFX pipeline informed by practical experience, independent research, and interviews with department leads
- Contributed to visual effects shots by rotoscoping using Foundry's Nuke VFX software
